1. We have arrived at John 15 in our sermon series on the gospel according to John. Please share with each other how this series has encouraged you in your walk with Christ.

2. According to John 15:2 God removes all things in the believer's life that would hinder fruit bearing. If you feel you can share a story with your group, do you think God has ever removed anything in your life that was a stumbling block in your Christian walk?

3. No gospel tells us as much about the Holy Spirit as John. What is the role of the teachings of Christ and the role of the Holy Spirit for bearing fruit?

4. According to John 15, the believer who abides in Christ can be assured of their genuine salvation. How do you think this truth effects our daily walk as Christians?

5. Share with each other the personal impact of John 15:15 on your understanding of the privilege to be called the "friend" of Jesus. Consider looking at 2 Chronicles 20:7 and James 2:23 as you share in your groups.
